Fall to Worship Concert Includes Local Charities

F2W2, the second annual Fall To Worship community concert event, will be held at the Lake View Park Amphitheater in Nampa, Idaho on September 19th. It is a free, outreaching, God-centered, worship music event intended not only to bring believers together, but also to reach out through music to those who don't know our Lord.

This year will feature recording artist [Jesse Shuster](#) as the head line act. Jesse's work has been featured in Worship Leader magazine, Spin360 magazine, and showcased on Top 20 Indie Worship at IndieHeaven.com. Jesse will be joined by local bands The East Gate and Beloved.

In addition to concert music, short evangelistic messages will be provided by community pastors. The [Boise Rescue Mission](#) will give a presentation on community impact to their mission; the [Kuna Life Youth Drama Team](#) will provide dramatic performances; games, face-painting, and clowns will add to the entertainment for young and old. Food will be provided at no cost to attendees, thanks to area churches. Local Christian Organizations are given opportunities for public exposure and a chance to talk about their missions with booths at the park.
